

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. One-sided programs like "Stolen Honor" do not, and are harmful to our democracy.

It is not in the public interest to influence people's opinions and votes with biased

programming funded by neo conservatives who are only interested in smearing Kerry on the basis of his involvement in the Vietnam anti war movement. Please stop this attempt at misinforming the public at such an important time in our history. Thank you
